THE BIRTH OF EXONUMIST

By Russell Rulau, TAMS #18, Sidney, Ohio

San Diego is the birthplace of the word Exonumist. As a San Diegan, I contrived this word from two classical roots - "exo" meaning out of, or away from, and "nummus," a coin.

It was my intention to provide a single term, possessing dignity, to describe a collector of tokens, medals, scrip and other numismatic items "out of" the mainstream of coins.

During early October, 1960, token and medal collecting was just coming into its own and a few scattered collectors across the country were corresponding with an eye toward forming an organization to serve token-medal interests.

One of the many stumbling-blocks to be overcome in creating a national organization was the selection of a descriptive name. To meet this objection, I coined the word Exonumist and first used it in October in a letter to James J. Curto of Grosse Pointe, Michigan.

A short time later (November 19, 1960) Jim Curto and others organized the Society of Medal, Token and Obsolete Paper Money Collectors at Detroit. This became the present Token and Medal Society (TAMS) in December, 1961.

There was a mail vote conducted in late 1961 of all SMTOPMC members to select another name. The proposed "American Exonumist Association" lost out to TAMS. However, the word Exonumist was officially adopted as a description for token and medal collectors by TAMS at its Detroit annual meeting in August, 1962, and now forms part of the official TAMS seal.

The word is pronounced EGZ - AHN' - OO - MIST, with the accent on the second syllable. The pronunciation was first suggested in November, 1960, by Mrs. Anna Merle Panosh of San Diego, during a meeting of the San Diego Numismatic Society.

Its first actual public use was December 4, 1960, when Paul H. Hamm, Ralph (Curly) Mitchell, Dr. Calvert L. Emmons and I organized the Southern California Exonumist Society (now California Exonumist Society) at Fullerton, California.

Since then other groups have used the name, such as the Arizona, New England and Lake Erie Exonumist Societies.

Coin World each week presents the word Exonumist on its Token and Medal Page as part of the TAMS seal carried there over the name of the page's editor, Jay P. Guren. Numismatic News each second week brings its readers an Exonumist Page edited by Clifford L. Mishler.

There have been several derivative terms arising from the word Exonumist. One, Exonumia (describing the whole field of token-medal collecting), was popularized by Ethel R. Stone and Alva Christensen of Temple City, California, and by Harold G. Schmal of Phoenix, Arizona, in their price lists starting in early 1961.

Now it is rather common to see the word Exonumia on a dealer's advertisement of tokens and medals, especially in price listings.

I envisioned Exonumia when Exonumist was created. However others have created other derivative terms of more recent vintage. Such terms as Exonumismatics, Exonumistic, etc., are products of the general acceptance of the word Exonumist in the numismatic field today. Mostly these terms are unnecessary, as Exonumist is both adjective and noun, and Exonumia is sufficiently broad in coverage.

Like all invented words, Exonumist had rough sledding at first. I received quite a bit of kidding about it at first. However, a few people, such as all those I've mentioned so far, plus others like Dr. George J. Fuld, Leonel C. Panosh, Loyal E. Howard, Clay Read, Maurice M. Gould, Virginia Culver, Alfred D. Hoch and some others, had faith in the word from its inception.

Strange as it might seem, some negative criticism tended to solidify its proponents and give it far wider publicity than it might have otherwise achieved.

D. Wayne Johnson, then editor of Coin World, lampooned the term Exonumist in a 1961 editorial. I recall that at the time I thought, "This publicity should put the word over."

Today Exonumist is finding rather general acceptance after six full years of existence in the numismatic field. While none of the learned groups such as the American Numismatic Society have yet endorsed it, I feel this is only a matter of time.

Who knows, the "San Diego word" may yet achieve recognition in Webster's dictionary!

This article was previously presented in the January-March, 1967, issue of the TAMS Journal

TAMS JOURNAL

Official Organ of the Token and Medal Society

The TAMS Journal is the official publication of the Token and Medal Society, Inc., an educational and non-profit organization devoted to furthering the exonumist field, founded November 19, 1960, at Detroit, Michigan, and incorporated April 8, 1966, in the District of Columbia.

All Society members receive the TAMS Journal without cost beyond their $4.00 annual dues, of which $3.50 is appropriated as a subscription. Subscriptions are available to non-members at $5.00 per year.

Entire contents Copyright 1968 by the Token and Medal Society Reproduction in whole or part without specific written permission prohibited

Cover design by Doug Watson. Seal design by Robert Johnson.

Published six times annually the first of February, April, June, August, October, and December by the Token and Medal Society Inc. at Iola, Wisconsin Second class postage paid at Iola, Wis. 54945.

THE ROLL CALL ON EIGHT YEARS

Founded barely seven-and-a-half years ago on November 19, 1960, the Token and Medal Society as an organization did not come into being overnight. Indeed, as regards active collecting, the token and medal aspects of the numismatic field have existed virtually as long as coins themselves have been collected.

That the Token and Medal Society has finally been successfully perpetuated is perhaps best epitomized by the words of our third president, Paul Hamm of San Diego. In his opening statement to the membership through the medium of the *TAMS Journal,* president Hamm indicated "that the collecting of tokens and medals is one of the most interesting branches of numismatics. History and beauty abounds in these pieces. Tokens and medals were known to the Greeks, the Romans, and the Chinese as long ago as they had coins. Altho TAMS is a new organization, collecting of tokens and medals is not new."

In fact, back in the mid-1800's the collecting of tokens and medals was nearly as popular as the collecting of coins. Much of this popularity prevailed into the early years of this century, and it is a fact that at certain times and places the popularity of tokens and medals even rivalled that of coins.

However, in spite of this popularity — early numismatic publications, the early issues of *The Numismatist* for instance, devoted great quantities of space to token and medal subjects — the token and medal field was slow to develop as a field unto itself.

The first development along this line came about with the formation of the specialized American Vecturist Association in 1948. Devoted solely to the restricted field of transporatation tokens, this small organization enjoyed early success, though its growth was not of a spectacular nature.

The first serious discussions undertaken probing the possibilities of forming an organization to encompass the entire token and medal field, with the exception of the previously organized transportation token aspect, came about in 1952. Participating in the discussions of that year were; James J. Curto, Max M. Schwartz, Maurice M. Gould, and theFuld's, Melvin and George.

That times have changed in sixteen years is evidenced by the fact that in 1952, only about ten other people were interested in forming such an organization. This, despite the fact that an article requesting those interested to respond was printed in *The Numismatist.*

- - 1960 - -

Finally, after a lapse of eight years, organization was again discussed at the Middle Atlantic Numismatic Association Convention held at Washington, D. C., in October of 1960. By this time, interest had developed to such a degree that an organization meeting was called for November 19, 1960, at the Michigan State Numismatic Society Fall Convention in Detroit, Michigan.

Organized at this meeting was the *Society of Token, Medal & Obsolete Paper Money Collectors,* the early designation under which the Token and Medal Society operated, the STM&OPMC for short. In its initial period, it should be pointed out, the scope of the Society was intended to include obsolete paper money, a field later taken over by the Society of Paper Money Collectors.

The dozen or so founding members in attendance at that founding meeting included; Q. David Bowers, James J. Curto, Thomas W. Fruit, Ruth Hammel, George D. Hatie, Walter Hinkle Jr., Lucy Kelly, Harry M. Lessin, Joseph Lucas, Clifford Mishler, Earl Rankhauser, Charles N. Ricard, and Henry Spangenberger.

Selected at this meeting was a pro-tem slate of officers; president Dr. Geroge Fuld, 1st vice-president James J. Curto, 2nd vice-president Max M. Schwartz, and secretary-treasurer Mrs. Lucy A. Kelly. Also chosen was a board of governors numbering; John Ford, Paul M. Fouts, Harley L. Freeman, Melvin Fuld, Paul Hamm, and Art Kagin.

Objects for the organization, as outlined at this meeting were: 1) To promote and cultivate the study of medals, tokens, and paper money; 2) To cultivate fraternal collector relations; 3) To encourage research, articles, and recording of such materials; 4) To disperse information and knowledge; 5) To advance interest and prestige; 6) To promote meetings at conventions, with the annual meeting to be held in conjunction with the annual A. N. A. Convention; 7) To promote and encourage distinct classifications at exhibits; and 8) to endeavor to determine fair valuations for tokens, medals, and paper money.

- - 1961 - -

With memberships initially established at $2.00, plus a $1.00 initiation fee, the STM&OPMC by April 1, 1961, when the enrollment of chartered members ended, had 315 members entered on the Society rolls.

At this time, the first issue of the Society Journal appeared. An 18 page loose-leaf affair, it was edited by pro-tem president Dr. George Fuld. Dr. Fuld was aided by assistant editors Nathan N. Eglit, Fred R. Marckhoff, Ralph A. Mitchell, Eric P. Newman, Russell Rulau, and E. Ward Russell.

The first annual meeting of the STM&OPMC was held August 18, 1961, in Atlanta, Ga., in conjunction with the annual American Numismatic Association, as would be the case for all to follow. Some 45 members were present at the meeting, with the membership enrollment reported as 522.

A special medal was produced to commemorate the event, presenting a tablet relating the date of the meeting on the obverse, and depicting the Confederate half reverse on the reverse. Copies were struck in bronze and given to each member of the Society, while a limited number were struck in silver and made available to members at $3.00. The medal was prepared through the efforts of Roy C. Small and William E. Bryant.

The major item of discussion at the business meeting was the re-naming of the Society. The choices were quickly narrowed down to three; the American Exonumist Society, the Medal and Token Society, and the Token and Medal Society, it being agreed that the paper money aspect should be dropped, due to the impending formation of a separate paper money organization whose coverage would include obsolete paper money.

Much discussion followed on the relative merits of the three mentioned names, with the primary support of the AES coming from west coast members in attendance. On the matter of the other two names, it was to be brought out that TAMS would be the better choice, as a *tam* is a form of Scottish cap, while MATS would refer to a *mat* on which one wipes his shoes.

The name *Token and Medal Society* was eventually chosen by a wide voting margin. However, the final choice of a name was put up for voting on by the membership-at-large before the end of the year. The result was a vote of 145 for TAMS, 86 for AES, 12 for SMT&OPMC, and 4 for other unannounced names.

At the meeting it was announced that beginning at the 1962 A. N. A. Convention TAMS would be sponsoring the Dr. B. P. Wright award for the best token exhibit at the convention, and the D. C. Wismer award for the best obsolete paper money exhibit. With its organization, the Society of Paper Money Collectors assumed the sponsorship fo the latter award.

Other important business transacted at this first annual meeting included the changing of the annual dues to $3.00, and the dropping of the $1.00 initiation fee, beginning with the calendar year 1962. Also, the pro-tem slate of officers was re-elected for the coming year.

A proposal was passed authorizing the establishment of a TAMS library. Appointed as librarian was Clifford Mishler, who combined these duties with those of the curator-historian, which he had held since the Society was organized the previous fall.

The year 1961 was concluded with the appearance of the fourth issue of *TAMS Journal,* bringing the total number of pages for the year to 85, the last issue containing 26 pages.

Contained in this issue was a provisional constitution for the Society, as drawn up by legel counsels Ellis Edlowitz and Harry M. Lessin, and assisted by George D. Hatie and James J. Curto. Also presented in this number was an alphabetical roster of members through December 1, 1961.

- - 1962 - -

The year 1962 began on an unfortunate note, as secretary-treasurer Lucy Kelly was hospitalized on January 20th. Because of the seriousness of her illness, it was necessary for Mrs. Kelly to decline to continue on with her heavy burden of TAMS dutues.

This quite naturally threw the affairs of the Society in a state of turmoil. As an emergency and temporary measure, president Fuld was able to enlist the services of his wife Nancy as acting secretary-treasurer.

Announced in the first 1962 issue of the *TAMS Journal* was the elevation of Russell Rulau to the position of associate editor, with the assistant editors being; Nathan N. Eglit, Ralph A. Mitchell, Eric P. Newman, Arlie R. Slabaugh, and E. Ward Russell.

By April 15, 1962, the position of secretary-treasurer was split up, and full transfer of duties accomplished. Appointed as secretary was William B. Spilman of Waynesboro, Va., and as treasurer, Mrs. Virginia Culver of Los Altos, Calif. Membership had, by this time, passed well beyond the 600 mark.

More illness was to strike the official family of the Token and Medal Society during 1962. This time it touched Dr. Fuld, our president and editor. This forced James J. Curto to become acting president. Also, the third 1962 issue of the *TAMS Journal* appeared through the efforts of acting editor Russell Rulau.

The second annual meeting of TAMS convened at Detroit, Mich., on August 16, 1962. Nearly 100 of the 655 active members at the time of the meeting were in attendance, an amazing 15 percent of the total.

Without a doubt, the most important business transacted at this session was the adoption of a *resolution directed against the encouragement of numismatic imitations.* The adoption of this resolution made the Token and Medal Society the first national organization to take a stand on the matter, a precedent eventually followed by others.

The election of officers brought forth a number of changes. Elected president was James J. Curto, 1st vice-president Max M. Schwartz, and 2nd vice-president Paul Hamm. Elected to the board of governors were; Melvin Fuld, Maurice M. Gould, Ralph A. Mitchell, Russell Rulau, and Harold C. Schmal, with Dr. George Fuld serving in a ex-officio capacity. The full complement of board members was not filled through error, but was later achieved with the appointment of Virginia Culver.

Assuming the editorship of the *TAMS Journal* at the meeting was Russell Rulau, assisted by associate editor Nathan N. Eglit. Appointed as assistant editors were; Arlie R. Slabaugh, Ralph A. Mitchell, and Eric P. Newman.

One result of the meeting was a decision to accept advertising as a means of supplemental support for the *TAMS Journal.* To handle the advertising, the position of advertising manager was created, William B. Spilman assuming this responsibility.

The design of a new Society seal, incorporating the name, date of organization, and the word exonumist. The design of this seal, as with the original emblem, was conceived by Clifford Mishler, and executed by Robert A. Johnson. Introduced on the September-October, 1962, issue of the *TAMS Journal,* the revised final version was first used on theNovember-December issue following.

It was announced at the convention that the Dr. B. P. Wright award for the best token exhibit, sponsored by TAMS, and awared under the auspices of the A. N. A. , was awared to a member and officer of the TAMS, Virginia Culver. Dr. Fuld also had on display a magnificent exhibit of Washingtonia, which was non-competitive and the subject of numerous raves and much discussion.

On the social side of the conclave activities, the highlight was an invitational cocktail party hosted by the Southern California Exonumist Society. The invitations took the form of a wooden so-called dollar, 100 of which were distributed. The affair was attended by some 75 guests. A smaller group also assembled for a supper party hosted by Jim and Lillian Curto at their home.

The year 1962 was concluded with the appearance of a fifth issue of the *TAMS Journal,* the total number of pages for the year reaching 136. Contained in this issue was an alphabetical roster of members, as well as an index to the first two volumes of the *TAMS Journal,* and the initial catalog of the library holdings. The production of an "official Journal binder" under the leadership of Joseph M. Kotler was also announced in this issue.

It was further revealed in this issue that by November 19, 1962, TAMS second anniversary, over 700 members had been enrolled. Then, on December 1, 1962, TAMS became affiliated with the A. N. A., being issued membership number 47142.

-- 1963 --

Carried in the first *TAMS Journal* issue of 1964 was the "Code of Ethics on Reproductions" as proposed by the Society. This *Code* was worked out by a committee composed of Eric P. Newman as chairman, Dr. George Fuld, Russell Rulau, Charles V. Kappen, and Ernest F. Cooke.

It was revealed that on February 15, 1963, the active membership stood at 657. Of the 741 members who had joined since November 19, 1960, 28 had resigned, 52 had been dropped for non-payment of dues, 3 had died, and 1 had been expelled.

In the April-May, 1963, issue of the *TAMS Journal,* two new staff appointments were announced. A second associated editor was appointed, Alfred D. Hoch, and a position of assistant advertising manager was created, with Joseph M. Kotler being appointed to it.

When TAMS members convened for the third annual meeting at Denver, Colorado, on August 8, 1963, 802 membership cards had been issued, with the active membership standing at 642. In attendance at the meeting were 49 members.

The longest and most turbulent of all TAMS meetings, the 1963 session spent much time in discussions regarding the *TAMS Journal,* the *Constitution,* the *Code of ethics,* financing, valuations, and other items of a controversial nature.

Because of its extremely controversial nature, the Code of Ethics was referred back to the committee for refinement. A new constitution and by-laws, in which the major provisions were an increase in the board of governors, and a change in election procedures, was approved. This constitution was then published in the September-December, 1963, issue of the *TAMS Journal.*

In the election, Dr. Philip Whiteley was elected to a one year term on the board of governors, and Paul Hamm, Virginia Culver, Max Schwartz, George Hatie, Alva Christensen, and Charles Lipsky to two year terms. Serving out unexpired terms were Maurice M. Gould, Ralph A. Mitchell, Dr. George Fuld, Harold C. Schmal, and Russell Rulau.

Officers elected were; president Paul Hamm, 1st vice-president Virginia Culver, and 2nd vice-president Maurice Gould. Selected as treasurer was George D. Hatie, with other appointed officers remaining.

The *TAMS Journal* staff was changed, with Alfred D. Hoch being elevated to editor, Nathan N. Eglit and Arlie R. Slabaugh serving as associate editors, and Ralph A. Mitchell, John R. Reynolds, and Eric P. Newman as assistant editors.

The first *official* TAMS social function was held in 1963. An evening dinner, it was held at the Denver Press Club. Once again, the California Exonumist Society hosted an invitational cocktail party, the invitation again taking the form of an exonumist item, a large inprinted piece of wood resembling a note and issued to 100 persons.

Virginia Culver for the second straight year won the Dr. B. P. Wright award for the best token exhibit at the A. N. A. Convention. Award medals were presented to the past presidents, secretaries, and treasurers, as well as bronze medals to the first two editors of the *TAMS Journal.* Certificates of Appreciation were also presented to Don Sherer, Dan Brown, and Joe Kotler, as well as a post-meeting presentation to Clifford Mishler, for services rendered to the Society. There was also a medal of appreciation presented to William B. Spilman for his services as secretary, a position in which he continued.

In the final *TAMS Journal* issue for 1963, the reprinting of Dr. Benjamin P. Wright's *American Store or Business Cards* was announced. This volume was the first *official* TAMS reprint in the field of exonumist literature. The production of this reprint was in the able hands of Al Hoch, Ralph Mitchell, George Fuld, and Virginia Culver.

That September-December, 1963, *TAMS Journal* issue, the first under the editorship of Al Hoch, was presented in saddle-stitched form, instead of the former loose-leaf form. It put the year's page total at 128, concluded with a detailed 17 page article on *The Washington Before Boston Medals* by Dr. George Fuld.

-- 1964 --

Another assistant editor, Robert J. Lindesmith, joined the staff of the *TAMS Journal* with the April-June, 1964, issue. This issue is noteworthy by the fact that it was the first to contain 48 pages.

The fourth annual TAMS meeting convened on Auguts 21, 1964, at Cleveland, Ohio. To commemorate this event, a medal was once again issued. Struck in bronze and silver, and available to members on a subscription basis, the medal depicted the Society emblem on the obverse, and appropriate legends on the reverse. The production of this medal was achieved through the efforts of Clifford Mishler.

In attendance at the meeting were 72 members. The active membership at this time stood at 758, with 133 members having joined since the 1963 meeting, the last issued membership number being 936.

It was announced that two projects about which there had been much discussion at the previous

years's meeting, the *Code of Ethics,* and the first set of valuations had been completed. Both were presented in the October-December, 1964, issue of the *TAMS Journal.* The final draft of the Code was the work of Arlie Slabaugh, Virginia Culver, Ellis Edlow, Charles V. Kappen, Ralph A. Mitchell, and Russell Rulau. The set of valuations, which covered the category of sutler tokens, were worked out by James J. Curto, Dr. George Fuld, and Alfred D. Hoch.

Among the resolutions adopted at this meeting, of which there were 10, were some involving awards, dues collection, by-laws changes, and one which for the first time provided renumeration for the editor's work. A distinguished quest in attendance was the noted English medallist Paul Vincze, who was introduced by president Paul Hamm.

Up for election were six positions on the board of governors. Elected were; George Fuld, Robert McNamara, Robert Johnson, Lew Panosh, Arlie Slabaugh, and Ben Odesser. Hold-over members were Virginia Culver, Alva Christensen, Charles Lipsky, Ralph A. Mitchell, and Max Schwartz.

Officers elected were; president Virginia Culver, 1st vice-president William B. Spilman, 2nd vice-president Ralph A. Mitchell, and secretary Robert R. Hailey. George Hatie continued in the office of treasurer, with Byron Johnson being appointed as librarian.

The 2nd annual TAMS banquet, an evening dinner at *The Round Table,* highlighted the social activities for all exonumists. At this event, the Society raised $100 for the A. N. A. Home and Headquarters drive.

Certificates of Appreciation for publicity provided were presented to *Coin World* and *Numismatic News;* for contributions to the *TAMS Journal* similar awards went to George Fuld, Clifford Mishler, and Arlie Slabaugh; for their efforts in producing the Wright reprint additional awards went to Alfred D. Hoch, Ralph A. Mitchell, and Russell Rulau; and finally for assistance in the preparation of convention plans a similar award was presented to Robert McNamara. Past president's and editor's medals also went to Paul Hamm and Alfred Hoch, respectively.

With the publication of the October-December, 1964, issue of the *TAMS Journal,* a new staff was introduced. Appointed editor was Clifford Mishler, with Nathan N. Eglit, Alfred D. Hoch, Robert J. Lindesmith, John R. Reynolds, and Arlie R. Slabaugh assisting as associate editors. With this issue, two color printing was introduced, and in bringing to 164 pages the total for the year, the *TAMS Journal* finished its biggest year.

President Culver in this issue announced the creation of the *Donald M. Miller Merchant Token, Medal of Merit,* and *TAMS Literary* awards, all of which would be awarded for the first time at the 1965 annual banquet.

The year 1964 reached its high point on November 28th, when Michael Petrik Jr., became the *1,000th member* to enroll. Mr. Petrik was awarded for his good fortune, with the presentation of a complete set of the *TAMS Journal,* bronze specimens of the two official TAMS medals, and one year's free membership.

By the end of 1964, over 1,050 members had joined TAMS, continuing its spectacular growth and popularity.

- - 1965 - -

In the March-April, 1965, issue of the *TAMS Journal* it was announced that Joseph M. Segel, president of General Numismatics Corporation had provided TAMS with a permanent endowment, the *Segel Literary Award* for the best article relating to the history and origin of medals and tokens during each year. The first presentation of this award was set for the 1965 banquet, covering the 1964 volume of the *TAMS Journal.*

The August-October, 1965, issue of the *TAMS Journal,* at 64 pages, became the largest to be published to date. Coming on top of three successive 32 page issues, and with one issue to go for the year, it was assured that in number of pages this volume would be the largest yet, at a final total of 216 pages. Contained in the August-October issue was a 46 page catalog of *Century of Progress* exonumist items as assembled by Nathan N. Eglit.

The reprinting of Sylvester S. Crosby's classic on *Early Coins of America,* the second *official* TAMS reprint, was announced in this issue. The Crosby reprint became the first of a planned series of quality reprints.

Convening for its fifth annual meeting on August 27, 1965, at Houston, Texas, TAMS members in attendance selected Dottie Dow, Byron Johnson and Max Schwartz as board members to join holdovers Fuld, Hamm, Johnson, McNamara, Panosh, Schwartz and Slabaugh. All officers continued on in the same posts as were held during the previous year.

Two decisions of signifigance came out of this general membership meeting, and the board meeting held the previous day. First was the decision to switch to a typeset *Journal* with card cover beginning with the first 1966 issue. Second was a decision to donate an additional $150 to the A. N. A. Building Fund, so that TAMS might become a 250 club.

At the *third annual TAMS banquet,* held the evening of the 27th at the Histon-Shamrock Hotel, our numerous and impressive incentive awards were presented for the first time. The crowning *Medal of Merit* went to Virginia Culver, while the premier *Segel Literary Award* went to Robert J. Lindesmith. The best merchant token display at the year's A. N. A. exhibits was entered by Arlie R. Slabaugh, who won the *Donald M. Miller Award.*

Silver and bronze *TAMS Literary Awards* were also presented for the first time this year. Covering the 1964 volume of the *Journal,* the top award went to Arlie R. Slabaugh for his *Ku Klux Klan Tokens and Medals,* and the runnerup to Virginia Culver for *Black Magic.* Retroactive awards were also presented for the years 1963 and 1961-62.

A special medal was again issued to commemorate the 1965 festivities.

The fifth 1965 *Journal* issue was released under the date of November 19th, it being a special fifth anniversary issue detailing our first half decade of activities. A 56 page issue, its primary contents were a history, roster of members, library list and

index to all previous issues, plus some presidential observations. A change in staff was also reflected in the issue, with Mrs. C. B. Allen replacing Alfred D. Hoch as an associate editor.

- - 1966 - -

As previously announced, the January-February, 1966, issue of the *TAMS Journal* was presented in a completely new typeset format. Although it numbered only 24 pages, the new format allowed for the presentation of approximately twice as much material as could have been included in an issue of similar size previously.

In addition to presenting an article cataloging *Michigan Commemoratives,* this issue also presented the second in a projected series of Society sponsored token valuation guides. This one was devoted to *Indian Trader Tokens,* while the earlier one, presented in the October-December, 1964, issue was devoted to *Sutler Tokens.*

President Culver announced in the March-April issue of the *Journal* that beginning at the 1966 A. N. A. convention, there would no longer be a conflict between the annual TAMS and Society of Paper Money Collectors banquets. The two organizations agreed to alternate Friday night banquets and noon luncheons, with TAMS drawing the choice banquet spot for the year.

Several important announcements were made in the May-July issue. First, it was announced that the Society was being incorporated in the District of Columbia, an event which actually transpired on April 8th under the direction of legal counsel Ellis Edlow. In conjunction with this event a set of proposed by-laws were also published in the issue, which were to be officially adopted with slight amendments at the annual meeting in August.

It was also announced that a job relocation for secretary Robert R. Hailey demanded that he resign the post. The event caused the duties of the office to be shifted to first vice-president Willaim B. Spilman, a previous secretary who would hold down the post until the August election of officers.

In the August-October issue President Culver delivered her final message, in which she announced the third *official* TAMS reprint, Robert P. King's *Lincoln In Numismatics.* It was also announced in this issue that an annual assemblage medal would again be issued.

At the annual meeting, held on August 19th in Chicago, the Society elected new officers to two year terms; president William B. Spilman, 1st vice-president Ralph A. Mitchell, 2nd vice-president George D. Hatie, secretary Byron Johnson and treasurer Ben Odesser. Under provisions of the newly adopted by-laws an election was also held for a full slate of 10 board members; Dottie Dow, Al Hoch, Arlie Slabaugh, Max Schwartz and Lew Panosh being elected to one year terms, while Bob Hailey, Ed Quagliana, Maurice Gould, Randolph Zander and J. Douglas Ferguson were chosen for two year terms.

In other action, it was announced that Irene Alexander had been appointed as librarian. The secretary revealed that 385 new members had joined since the last annual meeting, providing the largest numerical growth since 1961. The president announced that the issuance of portrait medals for past presidents had been approved.

The first of the past presidents portrait medals, the Paul Hamm issue, was unveiled at the banquet. The designs of this issue were executed by Don Dow, who was to do the subsequent issues also. Presented at this affair were the previously established Society awards, plus a special plaque which recognized Arlie R. Slabaugh's literary contributions via his *TAMS Vignettes* series in the *Journal.* Special plaques were also presented to the retiring officers in recognition of their contributions.

At a special board meeting following the installation of the new officers, approval was given to a proposal to raise the annual dues rate $1.00 to $4.00. This was one of several changes approved, which resulted in the *Journal* being placed on a publication schedule of every other month instead of five issues a year. One of these provided for combining the functions of the advertising manager and editor in one office.

The final 1966 issue, dated November-December, found the total number of pages climb to 172 pages, presenting by far the largest quantity of textural material of any volume to that time. New president Spilman also announced in this issue that the second of the past president medals, the James J. Curto issue, had been released.

- - 1967 - -

The year 1967 began with a 44 page *Journal* issue, in which a major article on a particular segment of the medallic issues of Karl Goetz was presented. Also presented in this issue was a special article by Russell Rulau, explaining the birth of *his word, exonumist.*

The April-May issue presented the first comprehensive listing of cataloguers of token and medal items, as compiled by the Society. It also carried an announcement by the president of a special meeting which would be held for the purpose of establishing the Society as a non-profit organization in the eyes of the Internal Revenue Service, the positive results of which were announced in the following issue.

Another announcement in that June-July issue of the *Journal* revealed that for the first time, the 1967 meeting medal would be struck as a high quality medal by The Franklin Mint. Examples were struck in silver and bronze, with only 100 each being struck for members of the Society. A larger additional quantity in a silver-klad metal and the bronze version were struck for distribution to certain General Numismatics Corporation stock-were struck in silver and bronze, with only 100 of

At the annual meeting, held in Miami Beach; Dow, Hoch, Slabaugh and Schwartz were re-elected to two year terms on the board, while Ray Byrne was elected to replace Paul Hamm, who had been appointed to the board early in the year to fill a vacancy created by the death of Leonel C. Panosh.

The Virginia Culver past president medal was released at the meeting. A special presentation award given to Edgar Heyl at this luncheon meet-

THE TOKEN AND MEDAL SOCIETY

ARTICLES OF INCORPORATION

The Token and Medal Society, Inc., was incorporated under the District of Columbia Non-Profit Corporation Act on April 8, 1966, and the articles of incorporation were amended on April 21, 1967. As amended, said articles of incorporation contain the following provisions:

FIRST: The name of the corporation is; *Token and Medal Society, Inc.*

SECOND: The period of duration is perpetual.

THIRD: The corporation is organized exclusively for educational purposes and in furtherance of such purposes, to promote, stimulate and advance the study of medals and tokens in all its branches along educational historic and scientific lines.

No part of the net earnings of the corporation shall inure to the benefit of any member or officer of the corporation or any private individual (except that reasonable compensation may be paid for services rendered to or for the corporation affecting one or more of its purposes), and no member or officer of the corporation, or any private individual shall be entitled to share in the distribution of any of the corporate assets on dissolution of the corporation. No substantial part of the activities of the corporation shall be the carrying on of propaganda, or otherwise attempting to influence legislation, and the corporation shall not participate in, or intervene in (including the publication or distribution of statements) any political campaign on behalf of any candidate for public office.

Notwithstanding any other provision of this Certificate, the corporation shall not conduct or carry on any activitiy not permitted to be conducted or carried on by an organization exempt under section 501 (c) (3) of the Internal Revenue Code under its regulations as they now exist or as they may be hereafter amended, or by an organization contributions to which are deductible under section 170 (c) (2) of such Code and Regulations as they now exist or as they may hereafter be amended.

FOURTH: The corporation shall have regular members having equal voting rights as well as other classes of members as may be provided in the By-Laws.

FIFTH: The Board of Directors shall be elected and appointed as shall be provided in the By-Laws. The Board of Directors shall also be known as the Board of Governors. The Board of Governors and those officers as designated in the By-Laws shall constitute the Executive Board.

SIXTH: Provisions for the regulation of the internal affairs of the corporation shall be provided in the By-Laws.

However, should dissolution or final liquidation of the corporation occur, the Executive Board shall, after paying or making provision for paying of all liabilities of the corporation, dispose of all of the assets of the corporation exclusively for educational or scientific purposes as shall at the time qualify as an exempt organization or organizations under section 501 (c) (3) of the Internal Revenue Code of 1954 (or the corresponding provision of any future United States Internal Revenue Law) or to the Federal Government or to a state or local government for a public purpose, as the Executive Board shall determine.

BY-LAWS

ARTICLE ONE

Section 1. The name of this society is; *Token and Medal Society, Inc.*

Section 2. The society is organized exclusively for educational purposes, and in furthurance of such purposes, to promote, stimulate and advance the study of medals and tokens in all their branches, along educational, historic and scientific lines.

Section 3. The fiscal year of the Society shall be from August 1st to July 31st.

ARTICLE TWO

Section 1. The Society shall be composed of regular members and honorary members.

Section 2. Any individual over 18 years of age and of good moral character and reputation, who is interested in tokens and medals as related to numismatics, shall be eligible for regular membership.

Section 3. Applications for membership shall be made on forms prescribed by the Society.

Section 4. Applications, together with the initiation fee of $1.00 and first year's dues, shall be sent to the secretary who, if he finds no objection to admitting the applicant, shall issue the proper form of membership card. Should the secretary have reason to question the admission of any applicant, the application shall be submitted to the Executive Board for final decision.

Section 5. The annual dues for regular membership shall be $4.00, payable in advance and subject to change by a majority vote of the Executive Board.

Section 6. Honorary membership may be conferred by the Executive Board upon the written nomination of at least three members thereof, upon

any person who has rendered the Society or the field of numismatics a particularly or noteworthy service and who is considered deserving of this honorary title.

Section 7. Members more than 90 days in arrears may be dropped for non-payment of dues. Members dropped for non-payment of dues may be reinstated by the payment of the current year's dues, plus ½ year's back dues. However, should reinstated members desire original membership numbers, they shall also pay all dues in arrears.

Section 8. Any member violating these By-Laws, committing any unfair act in his dealings with fellow numismatists or against this or any other numismatic organization, unjustly defaming the character of any other member of the Society, interfering with the activities of the Society, being convicted of a felony, or engaging in conduct unbecoming to a member shall, by a majority vote of the Executive Board, be expelled from membership. Such action shall not be taken by the Board, however, without first notifying the accused in writing of the complaint against him and allowing him a period of 30 days to present in writing such evidence and/or arguments as may be desired in defense, for consideration by the Board. All complaints are to be submitted to the Board in writing and signed by the complainant.

Section 9. No debts shall be contracted in the name of the Society without the approval of a majority of the Executive Board, provided however, that without such approval the president may incur debts for the benefit of the Society up to an aggregate amount of $100.00, and the secretary and treasurer may purchase and pay for stationery, postage and supplies incidental to their offices and the editor may incur the normal expenses incidental to his office. Such expenditures shall be accounted for in the report of the treasurer to be rendered at the annual meeting of the Society.

Section 10. All members shall receive the official publication, the TAMS Journal, without cost beyond their annual dues. Non-member subscriptions shall be available at $5.00 per year.

ARTICLE THREE

Section 1. The Society shall have a president, vice-president, treasurer, secretary and a 10 member Board of Governors.

Section 2. The officers and Board of Governors shall constitute the Executive Board which shall manage, operate and conduct the affairs of the Society.

Section 3. A total of 10 members of the Board shall be elected from the membership at large by a majority vote of the Society members in attendance at the annual meeting of the Society.

Section 4. The president, vice-president, secretary and treasurer may be elected by the Board of Governors from among its own members or from the membership at large.

Section 5. The officers and the Board of Governors shall have the usual duties delegated to their respective offices to conduct the affairs of the Society and shall serve without compensation, except as may be authorized by the Executive Board.

Section 6. All officers and governors shall be elected for a period of two fiscal years of the Society on the basis that election to the Board of Governors shall be staggered, five elected one year and five elected the following year, to allow for a continued personnel carry over in the administration of the Society. When the president's term of office expires, he shall serve ex-officio as a member of the Board of Governors for two years. All officers and board members may be re-elected.

Section 7. All officers and governors must be members in good standing in the Society and shall hold office until their successors take office.

Section 8. The president shall preside at all meetings and generally supervise all matters of business or of interest to the Society. In the absence of the president at any meeting, the next highest officer present shall preside.

ARTICLE FOUR

Section 1. The president may appoint such committees as he deems necessary or proper for the conduct of the affairs of the Society.

Section 2. The president may appoint with the approval of the Board of Governors, other personnel to posts required in the Society such as editor, librarian, historian, curator, legal counsel or others, as may be designated by the Board as necessary. The editor of the Society magazine shall serve on the executive board.

Section 3. In case of a vacancy occurring in the office of president, the first vice-president shall succeed. A vacancy in any other elective office shall be filled by appointment by the Executive Board until the next annual election.

ARTICLE FIVE

Section 1. The Society shall maintain continuous affiliation in the American Numismatic Association. The Society holds ANA membership number 47142.

Section 2. Clubs with interests similar to those of this Society may become affiliated as chartered clubs provided that 75% of its members are members of the Token and Medal Society.

ARTICLE SIX

Section 1. The Token and Medal Society, Inc. shall hold its annual meeting each year during the time and at the place of the annual convention of the American Numismatic Association.

Section 2. The Executive Board shall meet in open session during said convention to conduct the affairs of the Society. Five members of the Executive Board shall constitute a quorum at any of its meetings.

Section 3. Special meetings of the Executive Board shall be called by the president when such meeting, in his opinion, is considered necessary, and a 2/3 vote of those present at said special meeting shall govern.

Section 4. Robert's Rules of Order shall apply at all meetings.

(See BY-LAWS; Page 107)

CATALOGUERS LISTING

The listing of specialized token and medal cataloguers which follows combines the initial listings which were presented in the April-May and October-November, 1967, plus the April, 1968, issues of the *TAMS Journal.* As was the case with that initial listing, and the two supplements, there is no thought that this presentation constitutes a complete record of those actively involved in the various areas of specialization.

It is hoped, however, that as present and new members review this listing they will be induced to take up areas in which no work is yet announced, or announce themselves if they are already doing work toward the eventual preparation of a catalog, but have not been listed, so that eventually all aspects of the vast exonumist field will be provided with central clearing houses of sorts.

The objective in compiling this listing of cataloguers is to provide a guide to those collectors who are actively assembling collections and compiling data for the purpose of eventually preparing catalogues of their areas of specialized interest. It is to be hoped that all those who have requested to be listed in this compilation will always keep this objective clearly in focus.

The aim is to help both the cataloguer and casual collector. In order that the listing can be kept current, subsequent supplemental listings will follow at frequent intervals as deemed appropriate.

If you, as an active cataloguer of a specialized area, are not included in this or the previous listings it is because an appropriate report was not provided to the Journal editor as previous requests called for. If you desire to be listed, please submit a report of your area or areas of specialization, and you will be included in a future supplemental listing.

It is a simple matter to provide the information necessary for listing as a cataloguing specialist. All that is necessary is for the cataloguer to place his or her cataloguing specialty, name and address, on a post-card and send it to the Journal editor.

All of those who are listed as cataloguers do so at the invitation of correspondence on items known or suspected to have been issued in their areas of specialization. It would be desirable if in initial communications rubbings, impressions or photographs of the concerned pieces are supplied, along with complete descriptions of the devices, metal and size, plus any other known particulars.

Alphabetical Membership Roster

The roster of members which follows reflects the names and then current addresses of all those who had paid their 1968 dues through April 15, 1968. Any subsequent dues payers or address changes are not listed.

Those who paid their dues at a later date, through May 11, are listed separately in a special section appended to the end of the alphabetical listings. Changes of address reported after April 15 are reported in the regular report of the secretary as presented in part one of the May-June issue of the *TAMS Journal.*

Membership numbers assigned up to April 14 mounted to 1785, and all are included in this roster. Those who joined after that date are again entered only in the regular report of the secretary as presented in the May-June issue of the *Journal.* It should also mention that members holding numbers 315 and lower are charter members.

The greatest possible care was exercised in preparing this roster but, the editor, secretary and treasurer acknowledge that some errors may have crept in, and apologize for same. Any errors in the spelling of names, listing of addresses and assigning of numbers should be called to the attention of the secretary; Byron Johnson, 606 N.W. 80th, Seattle, Wash., 98107.

TAMS

BY-LAWS — *Continued From Page 91*

ARTICLE SEVEN

Section 1. Should this Society dissolve or be liquidated pursuant to the non-profit corporation laws for the District of Columbia, any and all assets available for distribution shall be distributed as provided in the amended Articles of Incorporation of April 21, 1967.

ARTICLE EIGHT

Section 1. It shall be the duty and responsibility of all members of the Executive Board and committee personnel to keep paramount the purpose and objectives of this Society and to devote their energies to the accomplishment of these aims.

ARTICLE NINE

Section 1. Alterations and amendments to these By-Laws shall be by a two-thirds vote of the Executive Board.

TAMS Journal

BACK ISSUES FOR SALE

The Secretary's office has the following back issues of the Journal for sale at $1.00 per copy postpaid.

Vol. 1, No. 2—Only 5 copies left.
Vol. 1, No. 4—Only 16 copies left.
Vol. 3, No. 3—Only 17 copies left.
Vol. 5, No. 3—Catalog of LBJ Medals; Only 45 copies left.
Vol. 5, No. 4—Catalog of Century of Progress Items.
Vol. 5, No. 5—Special 5th Anniversary Summary Issue; Only 21 copies left.
Vol. 6, No. 1—Catalog of Michigan Commemorative Tokens.
Vol. 6, No. 2—Coal Mine Scrip Article; Only 11 copies left.
Vol. 6, No. 3—Catalog of 1966 Mardi Gras Medals.
Vol. 6, No. 4—Articles on Anti-Bellum Store Cards of New Orleans and OPA Tokens.
Vol. 6, No. 5—George Washington Medals of 1932; Only 58 copies left.

All six issues of Volume 7 remain available.

As you can see, some issues are in very short supply. All orders are filled in strict order of receipt.

Write: Byron Johnson
606 N W 80th
Seattle, Wash. 98107

The Secretary's office would be happy to receive donations of any back issues not listed above if any member has duplicate copies.

LIBRARY CATALOGUE

Presented on this and the following pages is a complete listing of the reference books and related materials held in the TAMS library. All of these items are available for loan to members of the Society, subject to prior borrowing commitments.

Since you can also see what we do not have, we are asking that you donate your duplicate copies of suitable books, or those you no longer use. We would really appreciate receiving the authors or publishers donation of at least one copy of each new volume published in our field of interest. Several have already donated this way, and we sincerely thank them again at this time.

Any TAMS member in good standing may borrow any of these books. It's very easy to do so, as you need only send a request to the librarian. The items requested will be mailed to you, your only cost being the postage both ways. Thus, when they are returned an amount of unused postage stamps equal to the cost of the original mailing must be enclosed.

If there is a need to keep a book longer than normal, permission must be obtained from the librarian, as it may be that other members are awaiting receipt of the same number. Such possibilities are somewhat lessened by the presence of duplicate copies in some instances. To this end, we would also like to encourage you to donate your unwanted volumes even if they duplicate items already held in the library.

In addition to the listed items, some auction catalogues, price lists and advertising brochures are also held by the librarian. These often contain good plate illustrations and other features for reference. The librarian will be happy to assist all members in these areas.

All requests for books or information on library services should be addressed to the TAMS librarian; Mrs. Irene Alexander, P.O. Box 271, Parkwater Station, Spokane, Wash., 99211.

TAMS

HISTORY - *Continued From Page 89*

ing recognized his contribution to the aims of the Society in compiling the *Comprehensive Index To King's Lincoln In Numismatics,* which had been released early in the year.

For the year, once again a new high in total *TAMS Journal* pages was achieved, the Dec. '67—Jan. '68 issue bringing the total to 208. In this issue president Spillman announced that the past presidents portrait medals project had been brought up to date with the presentation and release of the Dr. George Fuld issue, the fourth issue in the series although Dr. Fuld was the first president of the Society.

- - 1968 - -

The current year began with a pair of 32 page *Journal* issues dated Febraury and April. The presidential messages in these issues revealed much advance planning for this year's annual festivities, which will be held in San Diego during the August A. N. A. convention and will include a Friday evening banquet. These plans include the appointment of nominating, literary and Medal of Merit committees.

Two reports of special signifigance are carried in the latter issue, one from the book editor revealing the impending publication in a single volume of reprints of the important token articles appearing in *The Numismatist* from 1900 to 1938, the other being president Spilman's related comments concerning the book publishing activities. An announcement in this issue also reveals that The Franklin Mint will once again in 1968 strike our annual medal.

That same April issue also carries an announcement that the *Journal* editor has arranged a cooperative program with the Canadian Numismatic Research Society for the publication of token and medal articles on Canadian subjects as authored by its members. The first of these articles, on three very scarce tokens of the Northwest Territories, was presented in the same issue.

Thus — with more than 1,800 members having been enrolled, and seven-and-a-half years of experience and service to the hobby behind it — does TAMS look forward to bigger and better days. To say the organization has come a long way in such a relatively short span of time — a growth from 12 people and an idea in a Detroit hotel room to an active membership well in excess of 1,000 — is almost to make an understatement of fact.

TAMS LITERARY AWARD SPECIAL 1966 SILVER

Arlie R. Slabaugh
"TAMS Vignette" Series

TAMS BOOK PUBLISHING PROJECTS

Dr. B. P. Wright's *monumental* The American Store or Business Cards

SOLD OUT

This monumental work of Dr. Wright, which originally appeared serially in issues of The Numismatist stretching from 1898 through 1901, was first assembled into book form by TAMS in late 1963. The 184 page listing recorded in excess of 1799 19th century tokens, with current estimates of rarities and valuations added. The text was reproduced photographically from the 60 year old originals, 600 being printed, and made available to members for $3 .00.

Sylvester S. Crosby's *classic* Early Coins of America

SOLD OUT

Although first published in 1875, Crosby's classic work remains a major recognized authority for all Colonial American coins and tokens. So great has been the demand for it down through the years that even earlier reprints have been virtually unobtainable. This circumstance caused TAMS to undertake the preparation of a quality hard cover reprint in the autumn of 1965. Its over 400 large format pages, including many full pages of illustrations, cover in depth the coins and tokens of the Colonial period, from the Somer Islands "Hogge Money" to the early patterns of the United States Mint. The full history of each issue is developed to ascertain its status. While original copies of this reference are valued at around $200 by some, the 500 reprints prepared by TAMS were sold to the membership for $7.50 per copy.

Robert P. King's *comprehensive* Lincoln In Numismatics

Price $4.00

The fall of 1966 found TAMS releasing a reprint of King's comprehensive work on Lincoln numismatic items. This 145 page hard bound volume for the first time combined between two covers his three presentations in the pages of The Numismatist; the original of February, 1924, and the supplements of April, 1927, and August, 1933. In these presentations, King listed a total of 1047 Lincoln metallic emissions. Another high quality reprint, the edition was 500, it is nicely illustrated.

Edgar Heyl's *valuable* Index To King's Lincoln In Numismatics

Price $1.00

A companion number to the King reference, the valuable Heyl index thereto, was released in early 1967. This original compilation opens the King work up to full and easy use. Previously it was difficult to locate the more than 1,000 listed pieces, especially for the non-Lincoln student. It is carefully broken down and cross-indexed by seven basic types of items, die sinkers, sculptors, issuing organizations and such. Presented as a 24 page pamphlet, it was printed in a quantity equal to the King reprint.

—for only **$5.00** *the pair—*

THE FUTURE

At the present time publication of the following **original** works is pending, they being in various stages of preparation:

Washington Trade Tokens
by Byron Johnson

California Tokens
by Charles Kappen

Another **reprint** is in the works, with early publication anticipated:

Token Selections from The Numismatist

The above work will present all of the worthy token articles appearing in The Numismatist between 1900 and 1938 which have not been reprinted in generally available specialized volumes.

Any of the books listed above which have been published and remain in print may be ordered through TAMS book distributing agent:

Mrs. Virginia Culver
P. O. Box 96
Thiensville, Wis., 53092

Any correspondence regarding book publishing policies or offering book length works for publication should be addressed to the book editor:

Alfred D. Hoch
Harvard Road
Stow, Mass., 01775
